PROPOSAL
RIGHT OF WAY WEED CONTROL

Cameron Estates CSD
P.O. Box 171
Shingle Springs, CA 95682

Price quote: $9300.00 for Right Of Way Weed Control

Description of Work: Right of way weed control treatment for the spring 2027 growing season on each side of approximately 16 +/- miles (total of approximately 32+/- miles of treatment) of roadway within the Cameron Estates CSD per the attached map. Area of treatment will be consistent with areas treated in the past, the non-landscaped shoulder areas approximately 6 feet +/- from road edge as well as entrance gate areas, mail boxes, fire hydrants, and Turnouts.

Application: Initial application shall be made using a combination of post and pre-emergence herbicides in January or February. Per Cameron Estates scope of work.

Jones Bros. will follow all Federal, State and County regulations regarding application of materials used.

Treatment Time: Date of application will be dependant on weather conditions with a proposed initial treatment to be performed before February 28, 2027, weather permitting. The second treatment in April and touch-up application in June. The CSD shall be informed of the exact date of treatments in order to notify property owners prior to the application. **Those owners wishing to NOT have their property right of way treated shall post "No Spray" signage indicating property boundaries and spraying will not be done on posted areas**.

Qualifications: Jones Bros. is a local California Corporation licensed with the Department of Pesticide Regulation (company license #31902) and Qualified Applicator (License #QAL 104579). Jones Bros. is registered with El Dorado County Agricultural Department. Jones Bros. is bonded and insured and will provide certificates of insurance for Liability and Workers Compensation insurance upon request. Contact person for this job will be Jim Johnson (916)852-8800.

Payment: Net 15 days from completion date of initial treatment
