

Cameron Estates

Community Services District

The Mission of the Cameron Estates Community Services District is to construct and maintain district roadways, to define and designate riding trails, and to represent the residents in issues that would have an effect on the community.

establishing, by resolution, the assessments for the 2026-2027 fiscal year for the Cameron Estates Community Services District. At said hearing, the Cameron Estates CSD Board of Directors will consider all comments by interested persons.

BOARD DIRECTOR POSITIONS OPEN

Please consider running for the office of Board Director for our District. **There will be 3 openings for the November 2026 election and the 3 full term positions will expire 12/06/2030.** Road construction experience is not needed but is helpful. The CECSD consists of a 5-member board whose primary authority is the construction and maintenance of the roadways and easements. Board meetings occur bimonthly and board members are paid \$80 per regular meeting. It does not cost anything to run for the position and you will be given training if elected.

If you are a registered voter living in the District, you can pick up a Declaration of Candidacy form available at the El Dorado County Elections Department at 3883 Ponderosa Road, Shingle Springs beginning July 13. **The form must be filed at the Elections Department in person by August 7 at 5 pm.** You can find more information and the forms in the website <https://www.eldoradocounty.ca.gov/County-Government/Elections>

EID High-Pressure Sewer Line Project

- EID has plans to go through Cameron Estates with a high-capacity sewer line for 3 other communities.
- EID may be exceeding the scope of the original easement since this does not benefit CECSD.
- There will be at least 6 Combination Air Valves (CAVs) also known as Air Release Valves (ARVs) along the new sewer force main. These valves automatically release trapped air and sewer gases that accumulate inside the pressurized pipeline.
- No updated EIR has been provided. The last one on file is from 2001.
- **The EID Project Supervisor will attend the July CECSD Board meeting on July 16th at 7:00 pm to answer resident questions.**

- EID plans to start the project early July, and it will last 14 months.
- CECSO has no agreement or insurance with EID.

Important Contacts

- Please contact the **County Sheriff Non-Emergency phone number at 530-621-6600** to make reports and file complaints.
- The number for **Animal Control is 530-621-5795**.
