ACCORD- Advisory Citizens Committee for Orderly Responsible Development

ACCORD (Advisory Citizens Committee for Orderly, Responsible Development) was formed in 1988, to oppose the development of an apartment complex in Cameron Estates CSD. It is a grassroots organization. ACCORD has opposed several other projects since that time, and assisted with the CECSD gate installations in 2003. ACCORD is again summoned to action as the Marble Valley/Lime Rock projects are requesting approval from the County for development. ACCORD is committed to action regarding any development that may be inconsistent with our RE-5 zoning and rural lifestyle. If you'd like to join the ACCORD committee, please contact Doug Bonetti at douglas.bonetti@sbcglobal.net. A donation of \$100 is requested.

Temporary Gate Code for Events

- If you are having a large event, or work done on your property, the District office can issue you a temporary gate entrance code to give to your gardener, contractor, or guests. All animal bites should be reported to Animal Services. **Please contact El Dorado County Animal Services** (not the CECSD) to report a loose/aggressive dog, dog attack or altercation with any other animal at **530-621-5795** or go to their website at: <https://www.edcgov.us/Government/AnimalServices>
