El Dorado County Leash Law

This notice will keep repeating as many new families are moving into the District! The District Office has been receiving **many** complaints from residents about loose dogs and dogs off leash harassing their livestock and chasing them while walking, biking and riding horses in the District. We would like to remind all residents that according to El Dorado County Ordinance Code Title 6, Chapter 6.12 Section 6.12.070 - Running at large prohibited: (in part, look it up if you wish to see the full version): "No person owning or having control of any animal...shall permit such animal...to stray or run at large upon any...unenclosed private lot or other unenclosed private place in the County..." part A states: "**Any animal other than working animals shall be confined by the owner or his or her agent on a leash of not more than ten feet in length during any time the animal is removed from an enclosed private lot or enclosed private place.**" FYI if your loose dog causes bodily harm to human or animal, or even "engages in behavior that requires a person to take defensive action to prevent physical injury...or otherwise causes injury to any domestic animal" you are guilty of a misdemeanor and could be fined and sued. Upon conviction your dog could be deemed dangerous and/or vicious and if any other violation occurs after that designation, fees will be imposed upon you; you will be held liable for damages and your dog impounded and/or euthanized. **Please** keep your dogs confined at home and on leash while walking them.

If you need to contact El Dorado County Animal Services to report a loose/aggressive dog, dog attack or altercation with any other animal, please call 530-621-5795 or go to their website at: <https://www.edcgov.us/animalservices>
Please do not call the District Office for this.
