Candidate Statement

Kevin L. King

I am interested in serving on the California Special District's Board of Directors to more significantly contribute to the vitally important work done by CSDA. With more than two decades worth of experience in leadership roles for special districts, I certainly appreciate the significance of all special districts and believe my background and perspectives would be an asset as a member of the CSDA Board.

Upon graduating from California Polytechnic State University, San Luis Obispo, I began my career in public service at a small irrigation district in western Stanislaus County. My career has taken me on a path since that time with stops at Oakdale Irrigation District, Solano Irrigation District and currently as the General Manager of Reclamation District No. 1000 in Sacramento. The advocacy, resources, and support provided by CSDA each step of the way has been tremendous, not only to me personally, but to the communities I served.

The challenges faced by special districts escalate, seemingly, on a daily basis. Funding challenges, legislative challenges, staffing challenges, modernization challenges...the list is endless, yet the need for our services never wanes. I am an enthusiastic, solution-oriented and creative problem solver ready to take on these challenges. I believe my unique background, communication style, and leadership would serve all special districts well.

I would be honored to receive your vote for the CSDA Board of Directors – Sierra Network.

Warm regards,
